"Reading Women" Highlights New Exhibition

By [LAURA KENNEDY](#) • NOV 9, 2015

"Reading Women" is part of the "Nine Trips Around the Sun" exhibition by artist Carrie Schneider

The pure pleasure of sitting down with a good book goes from a private diversion to a public exhibition at the ISU Galleries in Normal. A new exhibition of works from artist Carrie Schneider is on display, made possible by grant money from the Warhol Foundation. Laura Kennedy has more.
